V1: Lead my heart in my own place
   G
   Ride up to the stars across the heaven
   D          F#m    G         A
   Hello, you say, you will drive me lazy
   Meeting my heart, leaving the yard
   Waiting for the night's burst never say never
   We freak, we burts, pasting from our angles

     D                    F#m
R1: /: When I am standing on my head
   G
   you are crazy smiling
   D                    F#m
   Now we don't have it, we are mad
   G                   A
   go round this speedy romancing :/

V1: You have the time to take a break
   Get up to find your lost control
   Someone loves you trust, your soul
   Looking for the right size and a good measure
   I am a tough guy from the sky
   My good will drives me crazy

R2: /: When I am standing on my head
   you are crazy smiling
   Now we don't have it, we are mad
   go round this speedy romancing :/ :/
